Characters | DC

Icon is a fictional superhero appearing in comic books published by DC Comics, one of the headline characters introduced by Milestone Media in the 1990s. A being from another planet, he has taken on the form of an African American man, but has abilities such as flight, super-strength, and invulnerability. He uses these in partnership with Rocket, a human teenager using his alien technology, to protect the people of the fictional city of Dakota. Icon Icon and Rocket from Icon #41 Art by Wilfred S

Icon (comics) - Wikipedia

Powers put the "super" into superhero characters. Like abilities, powers have levels rated on the 1 to 10 scale. Also like abilities, power levels are used for tests, although some powers require tests of other abilities as well; such as a close combat power requiring a Prowess test to hit a target.

Writeups.org is an encyclopaedia of characters in genre fiction — comic books, video games, action movies, etc. It offers illustrated, researched profiles. These also include technical data for role-players. If you need a robust understanding of a character's abilities, personality, history, etc. this is *the* place to be. Read more

Writeups.org - In-depth character profiles from comics ...

Icon is an extra-terrestrial superhero from the planet Terminus who protects Dakota City. Jettisoned in an escape pod after a space ship malfunction, he was discovered by a slave woman in America's Deep South in 1839. He mimicked the woman's appearance, and as Augustus Freeman, he lived through four generations.
