Epicor ERP 10.2.500 Release Guide - Encompass
The Epicor University courses, EUP's user manual are deliberately generic so as anyone can get going to test the system standard processes versus their business processes but it is up to you to create training materials as relate to your business, product, processes - they should become your standard operating procedures and should facilitate multi-skilling - ie if anyone follows this process then our transaction will be done properly.

"How To..." Manuals - ERP 10 - Epicor User Help Forum
"Epicor played a major role in helping our team to learn and take advantage of the new functionality in the latest version of Epicor ERP. Their web-based educational videos allowed us to assign training via email and monitor each person's progress. By completing online training in advance of our target launch date, our team transitioned ...
