### Merideth Wright (Author of Everyday Dress of Rural America ...

Dresses Unlike their urban contemporaries, women in rural areas -- including farmers' wives -- wore simple dresses made from wool or linen. A white collar was usually the only adornment, over patterns of gingham checks and small flowers known as calico. City ladies, by contrast, predominantly wore paisleys, florals and wide stripes.

In the decades after the Civil War, Americans experienced remarkable changes in their everyday life, from the clothes they wore and food they ate to their opportunities for recreation. Mail order catalogs allowed rural residents to buy new equipment and follow the latest trends in fashion or household appliances without ever going to a store.
