Faces At The Bottom Of

In Faces at the Bottom of the Well, civil rights activist and legal scholar Derrick Bell uses allegory and historical example to argue that racism is an integral and permanent part of American society. African American struggles for equality are doomed to fail so long as the majority of whites do not see their own well-being threatened by the status quo.

Faces At The Bottom Of The Well: The Permanence Of Racism ...

In Faces at the Bottom of the Well, civil rights activist and legal scholar Derrick Bell uses historical example and allegory - including the classic story "The Space Traders" -- to argue that racism is an integral and permanent part of American society. African American struggles for equality are doomed to fail so long as the majority of whites do not see their own well-being threatened by the status quo.

Faces at the Bottom of the Well: The Permanence of Racism ...

The short stories in 'Faces at the Bottom of the Well' serve as allegories conveying Derrick Bells thesis that racism is a permanent part of American society. The fictional tales, buttressed by real examples of judicial opinions, prominent figures and historical events, stretch the limits of the reader's imagination.

Faces at the Bottom of the Well Summary - eNotes.com

Here, as he did in And We Are Not Saved, Harvard Law School professor Bell offers dramatized accounts of the dilemma of race relations in America. Bell uses stories and fables to examine such themes as desire for homeland; the role of violence; interracial relationships; and scapegoating. He argues that ``racial nepotism'' on the part of whites allows de facto discrimination to exist even ...

[Faces at the Bottom of the Well] | C-SPAN.org

"Black people are the magical faces at the bottom of society's well. Even the poorest whites, those who must live their lives only a few levels above, gain their self-esteem by gazing down on us. Surely, they must know that their deliverance depends on letting down their ropes. Only by working together is escape possible.

What 'Faces at the Bottom of the Well' Teaches About Race ...

43 quotes from Derrick A. Bell: 'We live in a system that espouses merit, equality, and a level playing field, but exalts those with wealth, power, and celebrity, however gained.', 'Education leads to enlightenment. Enlightenment opens the way to empathy. Empathy foreshadows reform.', and 'Power in the hands of the reformer is no less potentially corrupting than in the hands of the oppressor.'
