misnomer to speak about "English literature" – and especially of a "national" English literature – when considering this long period. Yet to talk about the history of English literature is problematic for other reasons, too. It is largely a philosophical question how one conceives of history in general: e.g. as a

### **Introduction to the History of English Literature**

Two major events influenced the history of English literature before the Norman Conquest. First angles, Saxons and Jutes came to England in Marauding and made English history possible. Second great event at that time is the conversion of the English to Christianity. In 597 Augustine had come from Rome and begun to convert the Jutes in Kents. Most English poetry in the early Anglo Saxon period is associated with these 2 events.
