All our slaves are strapped, every Sunday afternoon. Only 20 strokes, not too many. These weekly strappings provide a regular reminder of your status here, and a reminder of the penalty for not being a good slave. If you are a good slave, you will probably not get any more additional strokes. You will just get your usual 20 every week.

Having a permanent toilet slave is preposterous though. What woman would want that. Yes, it is a great thrill, but when you have finnished shitting in a guy's mouth and then watched the perv eat it, it is time for him to leave real quick. We have tried training toilet slaves in the past, and we have never had success doing it.

How can a Mistress toilet-train her human slave?

Toilet service: Possibly one of most powerful statements that can be made is for the submissive to consume the waste of his superior. Urine is the starting point. Urine upon exiting the body is sterile and possesses no risk to the submissive. Training your submissive to drink your urine can start with peeing into a cup and watching him drink it.
