Portfolios show your creative or professional talents in a way that is far more extensive and elaborate than a résumé offers. The elements of your portfolio largely depend on what field you're going into, but there are a few basics that apply to all types. Part 1

How to Make a Portfolio (with Pictures) - wikiHow

This paper examines techniques that organizations can use to effectively select, prioritize, and coordinate projects when developing project portfolios. In doing so, it overviews the primary business problem that organizations face—numerous projects, limited resources; it defines PPM, describing how it can help organizations prevent this primary business problem.
