Sharpe's Havoc - Wikipedia

It is the spring of 1809 and a small British army is stranded when the French invade northern Portugal. Sharpe is cut off and tries to fight his way back to the British lines but instead is led into treacherous danger. When the future Duke of Wellington arrives to take command, he immediately mounts his own counter-attack.

Sharpe's Havoc (Sharpe, #7) by Bernard Cornwell

Richard Sharpe, from private in the British Army up through the ranks, brings history alive without effort. All of the books in the SHARPE series teach without the reader realizing he has been taught. Reminds me of the John Jakes CENTENNIAL series back in the 70's. I am just glad I didn't have to wait for the next in the series to be printed.

Sharpe's Havoc (Reviews) | Bernard Cornwell

Perkins first appeared in Sharpe's Havoc. He was described as being from London, an unappealing street urchin who survived by sweeping horse manure out of the way of pedestrians in hope of a coin. Perkins knew neither the day nor the year of his birth, and he did not yet need to shave. He was new to the 95th Rifles on the retreat to Corunna.
