This particular installment of the Lacey Chronicles focuses on Kit, the illegitimate brother of the three (legitimate) Lacey brothers: Will, Tobias, and James. The three brothers are introduced in the first book, but, not having read the second book, *The Queen's Lady*, this was my first real encounter with Kit.

Review by Katie Stanley, Teacher Librarian from Mount Lilydale Mercy College. This is the third book in The Lacey Chronicles (the others are The Queen's Lady and The Other Countess) and tells the story of Mercy Hart, the daughter of a Puritan merchant in Elizabethan England. Kit Turner is an actor and the illegitimate son of the Earl of Dorset.

**Review - The
Rogue's Princess**

I have not read the other books in the Lacey Chronicles and was pleased that each works well as a standalone. The Rogue's Princess shares the tale of Mercy Hart and Kit Tuner. Set in 1586, this historical romance beautifully captures the tone of the times and the power of young love.

Each book focuses on a
different brother of

in particular focusing
on the illegitimate half
brother Kit Turner. I am
pleased to say that this
instalment is as good
as the other two in the
series and I already
