It's clear he's trying to get a rise out of us so he can film us getting angry with him.... likely so he can play the victim card and try to claim the "evil maskers" are coming after him. When we don't give him a reaction, he tries a new tactic. He wanders away and then comes back about thirty seconds later.

Evil Science is a level in Viscera Cleanup Detail. The map consists of a wide, curved central corridor, which branches off into three medium-sized rooms. At the end of the main corridor is an elevator leading to an upper floor, comprised of a smaller central area with a bathroom and sick-bay area connected via short corridors. The door to the sick-bay requires an access code to unlock. Slosh-O ...
