Structured Output Activities. Language learners must have opportunities to produce output in order to gain fluency and accuracy. Lee and VanPatten state that structured output "is a concept that can be applied to the development of activities that encourage learners to use newly learned vocabulary in a productive manner" (2003: 179).

week 24 - Vocabulary List : Vocabulary.com

Turning passive vocabulary (the words you know) into active vocabulary (the words you use) is one of my main concerns when teaching. To do this, I keep three key words in mind - internalise, retain and retrieve. Learners need to first learn the new language, then feel confident using the new structure, expression or word.
